Dear Church Leader,

I hope this letter finds you well. I am writing to you on behalf of the planning committee for an exciting and spiritually uplifting event, **Created 4 More A Night of Revival** to be held on **May 10th, 2025**, at **Paint Valley Football Stadium**. This event seeks to bring together the body of believers in our community to celebrate the love of Christ, preach the message of salvation, and invite all to experience the transforming power of the gospel.

We are honored to have **Kamrynn Babb, a former Ohio State football player** who has been called into the ministry, as our evangelist for the event. Kamrynn who will deliver a Godly message that we trust will touch many hearts and lead people to a deeper relationship with Christ. **The Satterfield's** will bring their anointed gift of worship.

With this revival, we are hosting a **Pre-Event for the students in Fellowship of Christian Athletes, Fellowship of Christian Students and church youth groups**, giving young people an opportunity to engage with the gospel and build connections with other believers in the area.

We invite you to **partner** with us in spreading the Gospel message. We ask our partners **to join us in prayer and support**. Specifically, we ask that you prayerfully consider taking up a **love offering** and then **joining us at 3:00 PM on April 6th at Paint Valley Football Stadium** to pray over the event and collect any final donations. Your financial support will be applied to event expenses, including goody bags, free food and shirts for the youth at the pre-event, and outreach materials. Your partnership ensures that this revival can be a truly impactful experience for our community.

We would also love to see you on May 10th! We are inviting local churches to set up a booth at the event to hand out literature introducing their church, provide tracts, and/or any fun trinkets etc. to the families in attendance. *Your participation presents an awesome opportunity to introduce your church for individuals who may be seeking a church family.* **Donations can also be made online via our website.** This is a free event, and if you are wanting to set up a booth, there is no cost. **Please contact Holly Smith at 740.703.1030** in order to ensure adequate space for your church's booth.

The revival's success depends on the support of churches like yours, and we truly believe that God will use this event to bring about revival in our community, as we all know there is a great need. We would be deeply grateful for your partnership in making this vision a reality and being the hands and feet of Christ with us! Thank you for considering, may God bless you richly.

In Christ's Service
